

Social Issues Interest Survey

WORK SHEET

For many students, issues of interest often help guide a student toward a major in college and maybe even a career beyond that. Evaluating which issues matter the most to you may help you plan for better extracurricular activities, summer experiences, and course selection during high school. Use the list below to get started. And feel free to add issues of your own!

This Issue	Matters a Lot	Matters	Matters Less
AGING			
ANIMAL RIGHTS			
ART (Public)			
CHILD, FAMILY WELLNESS
