The Elevator Pitch

We all have times in our lives when we are asked to talk about ourselves and only have about 30 seconds to respond. This is often called your Elevator Pitch because you may only have the time it takes to ride up a few floors in an elevator to communicate your message. Rather than leave it to chance that you can think quickly at that moment, why not prepare your 30-second Elevator Pitch so you are READY? If you ran into the president of your first choice college or the coach of your favorite team or a very influential person in your area of interest, what would you say? Create a new Elevator Pitch for different needs: a college interview, a job interview, or a shot at a scholarship.

DEVELOP YOUR ELEVATOR PITCH, THEN PRACTICE, PRACTICE, PRACTICE UNTIL IT IS A HABIT.

USE THE SPACE BELOW TO WORK ON YOUR ELEVATOR PITCH.
