

Self-Advocacy Survey for the Student with Disabilities

My personal and academic strengths include:

My personal and academic weaknesses include:

In college I expect I will need assistance in the following academic areas:

Name three “What if” scenarios for which you can plan ahead. Explain how you will respond.

1.

2.

3.

What are some questions for the disabilities office at each college?

Describe your disabilities (such as dyslexia, ADD, ADHD, anxiety, hearing impaired, etc.):

How does this disability affect you:

List any medication that you take that is related to your disability:

How does this medication help you? Are there side effects that hinder you?

What accommodations, services, or support have you received in high school which have been helpful?

The habits or routines that I have developed that help me succeed include:

Are there other ways that you compensate for your disability?
