

College Website Scavenger Hunt

WORK SHEET

College websites can be a wealth of information. But sometimes, they can be a challenge to navigate. Brush up on your website research skills by completing this scavenger hunt for a few of your favorite colleges.

Name of College:

Website:

Address:

Admissions Contact:

Phone Number:

Email Address:

About:

☐ When was the college founded?

☐ What is the Mission of the College?

☐ Who is the current president? Write a little about his/her background:

☐ Where is the college located?

Academics:

☐ What are the colleges at this school? (e.g. College of Engineering, College of Letters and Sciences)

☐ List three majors you find interesting. Put a star next to your top choice.

☐ Find a professor who teaches in your *top choice major*. List something interesting about this person: research conducted, personal background, interesting past jobs, for example.

☐ Find the course progression for this major. List three courses in this list that sound interesting to you.

Campus Life:

☐ Find five clubs/organizations you would consider joining? Name one really strange club!

☐ If you're interested in school spirit, who is the team mascot?

☐ Which sports would you be excited to cheer for?

☐ What are the housing options for first-year students? What about older students?

☐ Are there any special programs for first-time students?

Admissions:

☐ Find the Admissions Requirements. What do you still need to or hope to complete in order to apply?

☐ Find the page to schedule a tour:

☐ Does the college offer an online virtual tour? If it does, watch it and write down your favorite part:

Finances:

☐ What is the total cost of attendance?

☐ Does the college offer any scholarships that might pertain to you?
